Re: *Telephone Number Portability, et al.*, CC Docket No. 95-116, WC Docket Nos. 07-149 & 09-109

Dear Ms. Monteith:

Telcordia Technologies, Inc. d/b/a iconectiv (“iconectiv”) submits this letter as a supplement to its March 31, 2017 request for the Federal Communications Commission (“Commission”) to approve, if necessary, FP Icon Holdings, L.P.’s (“FP’s”) minority investment in iconectiv as well as modifications to the Local Numbering Administrator Code of Conduct and voting trust held by Ericsson Holdings II, Inc.¹

In its Request, iconectiv made clear that it will remain neutral.² Thus, iconectiv will continue to meet the neutrality test for the Local Number Portability Administrator (“LNPA”) set forth in the Federal Communications Commission’s rules.³ In this letter, iconectiv confirms that, following this transaction and based on the information and representations provided by FP, it will continue to meet all three prongs of the test including that no TSP will hold a majority of iconectiv’s debt, nor be the source of a majority of iconectiv’s revenues.⁴

¹ Request of Telcordia Technologies, Inc. d/b/a iconectiv to Approve Modifications to the Local Numbering Portability Administrator Code of Conduct and the Ericsson Voting Trust, and, if Necessary, the Minority Investment by FP Icon Holdings, L.P, WC Docket No. 07-149 et al (filed Mar. 31, 2017) (“Request”).

² Request at 9-14.

³ 47 C.F.R. § 52.12(a),

⁴ 47 C.F.R. § 52.12(a)(l)(ii).
